# WLC60 Heavy-Duty LED Light

Heavy-Duty LED Light Stands Up in the Toughest Environments

The WLC60 Heavy-Duty LED Light is designed to withstand the harshest environments. The ultra-bright light is oil, chemical and water resistant with IP68, IP68g and IP69K ratings, making it an ideal choice for many industrial lighting applications, including machine lighting and machine tool environments.

Your Advantages:

Save Worry: Chemical resistant design protects against liquid ingress

Save Money: Eliminate repair and replacement costs with long-lasting, durable LED lighting

Save Time: Simple to install with a variety of mounting options, including magnetic mount, daisy-chain power and rear or side connector

Product Overview:

• High brightness paired with advanced glare-reducing optics
• Durable polycarbonate window or borosilicate glass (BSG) option available for enhanced chemical and thermal resistance
• Vibration and shock resistant
• Eco-mode dimming states to adjust brightness and power consumption
